For Immediate Release

Mouser Earns Top Awards from NKK for Performance Excellence

June 19, 2012 – [Mouser Electronics](http://www.mouser.com), Inc., regarded as a top engineering resource and global distributor for semiconductors and electronic components, today announced it has been named [NKK](http://www.nkk.com) Switches' *No. 1 Distributor, Million Dollar Club*. The award was presented to Mouser executives during this year's EDS (Electronic Distribution Show) Conference in Las Vegas. Mouser also earned the *NKK Two Million Dollar Club Award* and Mouser Product Manager Dion Brugger also won *NKK Product Manager of the Year*.

Keith Privett, Mouser's Vice President of Electromechanical and Power, was pleased to accept the award on Mouser's behalf. "These awards are truly appreciated by the Mouser team. Mouser is 100% committed to rapidly providing the newest products and latest technologies to design engineers, so being recognized for achieving excellence in this area was great news. We look forward to another successful year with NKK Switches."

"NKK Switches congratulates Mouser for earning NKK's top awards as Million Dollar Club Winners," said Jani Duffy, Distribution Sales Manager for NKK Switches. "As we recognize Mouser for another successful year for NKK Switches, we also wish to thank Mouser for their dedicated effort and for their partnership."

NKK Switches presents over 4,000,000 different switch options with ratings from logic level to 50 amps. All switches have been designed and manufactured to provide the quality and reliability that has made NKK Switches the benchmark for reliability for nearly half a century. Included in the NKK Switch line are keylocks, pushbuttons, rockers, paddles, rotary, slides, tactile, job, and toggle switches, as well as switch hardware, knobs, and dials.

With its broad product line and unsurpassed customer service, Mouser caters to design engineers and buyers by delivering What's Next in advanced technologies. Mouser offers customers 19 global support locations and stocks the world's widest selection of the latest semiconductors and electronic components for the newest design projects. Mouser Electronics' website is updated daily and searches more than 8.9 million products to locate over 3 million orderable part numbers available for easy online purchase. Mouser.com also houses an industry-first interactive catalog, data sheets, supplier-specific reference designs, application notes, technical design information, and engineering tools.

About Mouser Electronics

Mouser Electronics, a subsidiary of TTI, Inc., is part of Warren Buffett's Berkshire Hathaway family of companies. Mouser is an award-winning, authorized semiconductor and electronic component distributor, focused on the rapid introduction of new products and technologies to electronic design engineers and buyers. Mouser.com features more than 3 million products online from more than 450 manufacturers. Mouser publishes multiple catalogs per year providing designers with up-to-date data on the components now available for the next generation of electronic devices. Mouser ships globally to over 375,000 customers in 170 countries from its 492,000 sq. ft. state-of-the-art facility south of Dallas, Texas. For more information, visit <http://www.mouser.com>.
