## For Immediate Release

### Mouser Electronics Honored for Top Performance and Service Excellence

June 15, 2015 – [Mouser Electronics](http://www.mouser.com), Inc., the global authorized distributor with the newest semiconductors and electronic components, today announced that it has received more than [20 Top Performance Awards](#) from its manufacturer partners for 2014.

Manufacturers cited many reasons for the honors, including double-digit sales growth, fastest introduction of NPIs (new product introductions), breadth of inventory, best-in-class marketing campaigns, customer growth, outstanding point of sales (POS) growth, global expansion and commitment to teamwork.

“We appreciate the special recognition from these world-class manufacturers who share our philosophy of delivering new technology and providing excellent customer service,” says Mouser Electronics’ President and CEO Glenn Smith. “It is a testament to the great teamwork we share with these valued partners.”

Performance Awards for excellence for 2014 and 2015 fiscal year include:

- [TE Connectivity](#) - *Global High Service Distributor of the Year*

With its broad product line and unsurpassed customer service, Mouser caters to design engineers and buyers by delivering What's Next in advanced technologies. Mouser offers customers 21 global support locations and stocks the world's widest selection of the latest semiconductors and electronic components for the newest design projects. Mouser Electronics' website is updated many times daily and searches more than 10 million products to locate over 4 million orderable part numbers available for easy online purchase. Mouser.com also houses an industry-first interactive catalog, data sheets, supplier-specific reference designs, application notes, technical design information, and engineering tools.

### **About Mouser Electronics**

Mouser Electronics, a subsidiary of TTI, Inc., is part of Warren Buffett's Berkshire Hathaway family of companies. Mouser is an award-winning, authorized semiconductor and electronic component distributor, focused on the rapid introduction of new products and technologies to electronic design engineers and buyers. Mouser.com features more than 4 million products online from more than 500 manufacturers. Mouser publishes multiple catalogs per year providing designers with up-to-date data on the components now available for the next generation of electronic devices. Mouser ships globally to over 500,000 customers in 170 countries from its 492,000 sq. ft. state-of-the-art facility south of Dallas, Texas. For more information, visit <http://www.mouser.com>.
