

For Immediate Release

Mouser Electronics Signs Global Distribution Agreement with HUBER+SUHNER

April 25, 2017 – [Mouser Electronics](http://www.mouser.com), Inc., the industry's leading New Product Introduction (NPI) distributor with the widest selection of semiconductors and electronic components, today announced it has signed a worldwide distribution agreement with [HUBER+SUHNER](http://www.hubersuhner.com), a leading global supplier of components and system solutions for electrical and optical connectivity in [communications](#), [industrial](#), and [transportation](#) markets.

With this new agreement, Mouser is now authorized to distribute the [HUBER+SUHNER product line](#) to over 500,000 customers in 170 countries. HUBER+SUHNER develops and produces high-quality [radio frequency](#) (RF) and microwave and fiber optics connectivity products. The company's RF offerings include passive components like cables, connectors, assemblies, antennas, and electromagnetic pulse (EMP) protection. Fiber optics products offer solutions for ultra-high-speed data transmission including cables, connectors, cable assemblies, cable and distribution systems as well as fiber management systems.

With its broad product line and unsurpassed customer service, Mouser strives to empower innovation among design engineers and buyers by delivering advanced technologies. Mouser stocks the world's widest selection of the latest semiconductors and electronic components for the newest design projects. Mouser Electronics' website is continually updated and offers advanced search methods to help customers quickly locate inventory. Mouser.com also houses data sheets, supplier-specific reference designs, application notes, technical design information, and engineering tools.

About Mouser Electronics

Mouser Electronics, a subsidiary of TTI, Inc., is part of Warren Buffett's Berkshire Hathaway family of companies. Mouser is an award-winning, authorized semiconductor and electronic component distributor focused on rapid New Product Introductions from its manufacturing partners for electronic design engineers and buyers. The global distributor's website, Mouser.com, is available in multiple languages and currencies and features more than 4 million products from over 600 manufacturers. Mouser offers 22 support locations around the world to provide best-in-class customer service and ships globally to over 550,000 customers in 170 countries from its 750,000 sq. ft. state-of-the-art facility south of Dallas, Texas. For more information, visit www.mouser.com.

About HUBER+SUHNER

HUBER+SUHNER, the global company with headquarters in Switzerland, develops and produces components and system solutions for electrical and optical connectivity. HUBER+SUHNER serves customers in the three markets of communication, transportation, and industrial with cables, connectors, and systems developed for the three core technologies of radio frequency, fiber optics and low frequency. HUBER+SUHNER products stand for highest performance, quality, reliability and longevity, even under demanding conditions. The company's global production network, combined with group companies and subsidiaries, ensures that HUBER+SUHNER is close to its customers in over 60 countries.
