For Immediate Release

Mouser/Molex-Sponsored IndyCar Team Bound for Austin Race

Distributor Backs Dale Coyne Racing with Vasser-Sullivan Team for 2019 IndyCar Season

March 20, 2019 – [Mouser Electronics](http://www.mouser.com), Inc., the industry’s leading New Product Introduction (NPI) distributor with the widest selection of semiconductors and electronic components, will be cheering on the Dale Coyne Racing with Vasser-Sullivan team as it takes to the track March 24 for the [INDYCAR Classic](#). The race will occur at the Circuit of the Americas: a tough 3.427-mile course with 20 challenging turns outside of Austin, Texas.

Mouser is very proud to once again sponsor the Dale Coyne Racing with Vasser-Sullivan team throughout the entire 2019 NTT IndyCar Series, joined by valued supplier [Molex](#).

The 17-race season — the 24th of the IndyCar Series — includes the 103rd running of the famed Indianapolis 500, set for May 26. Champion Driver Sebastien Bourdais, the pilot of the Mouser- and Molex-sponsored No. 18 IndyCar, finished last season in the top ten.

Mouser first sponsored IndyCar racing in 2011 as a way to communicate its performance-driven business model and promote the newest technologies. The Mouser-sponsored car won the Indianapolis 500 in 2013.

After the INDYCAR Classic, the series travels to the Indy Grand Prix of Alabama at Birmingham on April 7 and the Grand Prix of Long Beach, Calif., on April 14, followed by 12 other races before the finale at Monterey, Calif. in September.
