## For Immediate Release

# Mouser Electronics Named Distributor of the Year by Littelfuse

**April 13, 2020** – [Mouser Electronics](http://www.mouser.com), Inc., the industry's leading New Product Introduction (NPI) distributor with the widest selection of semiconductors and electronic components, has been recognized as the 2019 High Service Distributor of the Year by [Littelfuse](http://www.littelfuse.com), a global manufacturer of leading technologies in circuit protection, power control and sensing. This is the ninth year that Mouser has been honored with the top award.

"We are proud to recognize Mouser Electronics, a valuable channel partner for Littelfuse," said Dave Heinzmann, Littelfuse President and Chief Executive Officer. "Mouser delivers outstanding results for Littelfuse, and their commitment to exceptional customer service aligns with our own."

"We are incredibly honored to receive this top award from Littelfuse for the ninth time," said Glenn Smith, Mouser's President and CEO. "Throughout our longstanding partnership we've realized many successes together, and we look forward to many more in the future."

Littelfuse selects the winner of the High Service Distributor of the Year award based on a variety of distributor performance metrics, including overall sales growth, focus product sales, growth in the number of customers served, and the number and quality of creative marketing campaigns that reach customers. Mouser previously won the Littelfuse High Service/Catalog Distributor of the Year award in 2008 through 2011 and in 2014, 2015, 2017 and 2018.

To learn more about the Littelfuse product line available from Mouser Electronics, visit <https://www.mouser.com/manufacturer/littelfuse/>.

As an authorized distributor, Mouser Electronics is focused on the rapid introduction of new products and technologies, giving customers an edge and helping speed time to market. Over 800 semiconductor and electronic component manufacturers count on Mouser to help them introduce their products into the global marketplace. Mouser's customers can expect 100% certified, genuine products that are fully traceable from each manufacturer.

With its broad product line and unsurpassed customer service, Mouser strives to empower innovation among design engineers and buyers by delivering advanced technologies. Mouser stocks the world's widest selection of the latest semiconductors and electronic components for the newest design projects. Mouser Electronics' website is continually updated and offers advanced search methods to help customers quickly locate inventory. Mouser.com also houses data sheets, supplier-specific reference designs, application notes, technical design information, and engineering tools.

### **About Mouser Electronics**

Mouser Electronics, a Berkshire Hathaway company, is an award-winning, authorized semiconductor and electronic component distributor focused on rapid New Product Introductions from its manufacturing partners for electronic design engineers and buyers. The global distributor's website, Mouser.com, is available in multiple languages and currencies and features more than 5 million products from over 800 manufacturers. Mouser offers 27 support locations around the world to provide best-in-class customer service and ships globally to over 630,000 customers in 223 countries/territories from its 750,000 sq. ft. state-of-the-art facility south of Dallas, Texas. For more information, visit [www.mouser.com](http://www.mouser.com).

### **About Littelfuse**

Founded in 1927, Littelfuse is the global leader in circuit protection with advancing platforms in power control and sensor technologies. The company serves customers in the electronics, automotive and industrial markets with products that include fuses, semiconductors, polymers, ceramics, relays and sensors. Littelfuse has more than 12,000 employees in more than 50 locations worldwide.
