Mouser Electronics Recognized by Raytheon for Outstanding Performance

July 28, 2015 – [Mouser Electronics](http://www.mouser.com), Inc. is pleased to announce that it has been honored by Raytheon for outstanding service, quality, and performance. Mouser was recognized for their outstanding performance as a supplier to Raytheon Integrated Defense Systems at the Supplier Excellence Conference held May 27, 2015, in Foxborough, Massachusetts.

Raytheon's Integrated Defense Systems business instituted the annual Supplier Excellence Awards program to recognize suppliers who have provided outstanding service and partnership in exceeding customer requirements. Award candidates are judged on certain criteria, including overall quality, on-time delivery and demonstrated commitment to continuous improvement. Mouser was one of 50 companies recognized by Raytheon's Integrated Defense Systems business for 3-Star honors.

"It is a great honor to be recognized by a company with the global reputation enjoyed by Raytheon," said Steve Newland, Mouser Electronics' Senior Vice President of Americas Sales and Global Sales Operations. "It is gratifying to know that this honor was based on criteria including overall quality, on-time delivery, and Mouser's demonstrated commitment to continuous improvement."

Mouser has received more than [22 top performance awards](#) from its manufacturer and customer partners for 2014–2015. The global distributor was also awarded the [NFSB Award](#) for customer service excellence for the third consecutive year. For more information, visit www.mouser.com/awards.

With its broad product line and unsurpassed customer service, Mouser caters to design engineers and buyers by delivering What's Next in advanced technologies. Mouser offers customers 21 global support locations and stocks the world's widest selection of the latest semiconductors and electronic components for the newest design projects. Mouser Electronics' website is updated many times per day and searches more than 10 million products to locate over 4 million orderable part numbers available for easy online purchase. Mouser.com also houses an industry-first interactive catalog, data sheets, supplier-specific reference designs, application notes, technical design information, and engineering tools.

About Mouser Electronics

Mouser Electronics, a subsidiary of TTI, Inc., is part of Warren Buffett's Berkshire Hathaway family of companies. Mouser is an award-winning, authorized semiconductor and electronic component distributor, focused on the rapid introduction of new products and technologies to electronic design engineers and buyers. Mouser.com features more than 4 million products online from more than 500 manufacturers. Mouser publishes multiple catalogs per year providing designers with up-to-date data on the components now available for the next generation of electronic devices. Mouser ships globally to over 500,000 customers in 170 countries from its 492,000 sq. ft. state-of-the-art facility south of Dallas, Texas. For more information, visit <http://www.mouser.com>.
