## For Immediate Release

# Join Mouser Electronics and the TTI Family of Companies for Reality.2020 Where Hype Meets Hardware

**May 27, 2020** – [Mouser Electronics](http://www.mouser.com), Inc., the industry's leading New Product Introduction (NPI) distributor with the widest selection of semiconductors and electronic components, is joining TTI, Inc., and the TTI Family of Companies — Connected Development, RFMW, and Symmetry Electronics — to present the [Reality.2020](#) online technology symposium, June 10-11, 2020. Registration is free for the two-day series of webcasts on topics such as [Internet of Things](#) (IoT), [sensor](#) technology, 5G, and cloud computing.

The interactive online presentation brings together the world's leading electronic component suppliers to deliver real answers to the key design challenge of these revolutionary times: How do you make your next product do things it has never had to do before — gather data, communicate, measure and detect and act?

[Reality.2020 Where Hype Meets Hardware](#) features a keynote address from Michael Knight, President of TTI Semiconductor Group (TSG), as well as informative webcast presentations from representatives from TE Sensor Solutions, Murata Electronics North America, Honeywell, Abracon, Qorvo, Ampleon, Semtech, and Connected Development.

As an authorized distributor, Mouser Electronics is focused on the rapid introduction of new products and technologies, giving customers an edge and helping speed time to market. Over 800 semiconductor and electronic component manufacturers count on Mouser to help them introduce their products into the global marketplace. Mouser's customers can expect 100% certified, genuine products that are fully traceable from each manufacturer.

With its broad product line and unsurpassed customer service, Mouser strives to empower innovation among design engineers and buyers by delivering advanced technologies. Mouser stocks the world's widest selection of the latest semiconductors and electronic components for the newest design projects. Mouser Electronics' website is continually updated and offers advanced search methods to help customers quickly locate inventory. Mouser.com also houses data sheets, supplier-specific reference designs, application notes, technical design information, and engineering tools.

### **About Mouser Electronics**

Mouser Electronics, a Berkshire Hathaway company, is an award-winning, authorized semiconductor and electronic component distributor focused on rapid New Product Introductions from its manufacturing partners for electronic design engineers and buyers. The global distributor's website, Mouser.com, is available in multiple languages and currencies and features more than 5 million products from over 800 manufacturers. Mouser offers 27 support locations around the world to provide best-in-class customer service and ships globally to over 630,000 customers in 223 countries/territories from its 1 million sq. ft. state-of-the-art facilities south of Dallas, Texas. For more information, visit [www.mouser.com](http://www.mouser.com).

### **About TTI, Inc.**

TTI, Inc., a Berkshire Hathaway company, is an authorized, specialty distributor of interconnect, passive and electromechanical (IP&E) components and the distributor of choice for industrial and consumer electronics manufacturers worldwide. Broader and deeper inventory, leading-edge products and custom supply chain solutions have established TTI as the leading specialist in electronic component distribution. Globally, the company maintains 1.9 million square feet of dedicated warehouse space containing over 850,000 component part numbers. Along with its subsidiaries, Mouser Electronics, Sager Electronics, and TTI Semiconductor Group, TTI employs more than 6,700 people at more than 133 locations throughout North America, Europe and Asia. For more information about TTI, visit [www.ttiinc.com](http://www.ttiinc.com).
